MAY 2011

April found some of us in Herring Run Park cleaning up the stream - joined by a large contingent from Boy Scout Troop & Pack #149, members of Girl Scout Troop #977, leaders and community friends. The pile of bags was not as high this year because about the same number were piled in another location as recycling. Good to save that much from the landfills but sad to have picked up so much trash thrown in the park and stream area.
