

Youth News

Faith Community UMC
FEBRUARY 2012

Youth Group for January was a skating trip to Patterson Park for a relatively new adventure for many. No disasters so we may try it again. March youth group will focus on the faith exploration class and will probably include a field trip to area sites with lunch. Participants may join Faith Community on Easter Sunday, April 8th, during worship service. All families and friends are welcome to attend for the occasion with fellowship following. **ALSO** youth presentations on Black History Month during worship on February 26th.

COMING UP: Project Clean Stream on Saturday, April 14th. Youth Group and Scout groups will meet to help clean Herring Run with lunch afterwards back at Faith Community. **FINAL CHANCE** to join the Mission Camp trip for the summer. Adults and youth will spend the week of July 7-14 in Berkeley Springs, WV helping local residents with home improvement projects. Contact Kate Ehrenberger at 443-630-9174 or kateehren@msn.com. Watch for our fund raisers to help fund this and other camping activities for the summer.

SCOUT GROUPS - The Cub Pack did a mid-winter planting activity and has learned about conservation and recycling. The Brownie Troop also went ice skating with lots of new skaters mastering the skill. They also held a sleepover - check out the activities in the gallery section of the church website: www.faithcommunityhamilton.org.

We are ever growing in Christ, inviting each one to make a difference.
