

Youth News

Faith Community UMC
SPRING 2013

NEXT YOUTH GROUP is Sunday, April 7th following worship - lunch with meeting about Mission Camp and then perhaps an trip for bowling together. See the rest of the newsletter for additional upcoming dates.

Unfortunately, this is probably what Herring Run looks like right now, but on Saturday, April 6th, Faith Community's scouts and youth group will join forces with thousands of other Marylands for Project Clean Stream. We'll start at 9 am at Echodale and Herring Run Drive, lunch at church afterwards. (Service learning hours)

OTHER OPPORTUNITIES TO GATHER/HELP:

Saturday, April 13th is a work day at church to help with projects, including the new Youth Groom

SCOUT SUNDAY is April 21st at Faith Community - worship at 10:30 am, followed by a reception.

Saturday, May 4th is our car wash fund raiser for Mission Camp this year. We'll also be planting our raised garden beds for the season so we look forward to lots of willing help.

CUB SCOUTS held their annual Pinewood Derby after hand-crafting their vehicles. They will participate in the Scouting for Food initiative in April - please watch for their bags to help out neighbors in need through the food pantry.

Brownie Troop 260 recently enjoyed a weekend at Camp Woodlands in Annapolis - practicing the important art of campfires and s'mores.

We are ever growing in Christ, inviting each one to make a difference.
